Wait, Mika.
Saki-chan's going to be coming.
Don't worry.
It's late, nobody's going to come.
I'm sure she forgot.
Jeez...
ahh
Yeah, but still...
Ah, hey!
You take a positive outlook on everything, Mika.
Hmm?
You think so?

Oh, you won't? That's good to hear, then.

You don't believe I'll keep it secret at all!
Okay, to guarantee your secrecy...
Could you tell us one of your secrets?
Okay, fine. Then let us take a pic of you showing the goods!
Nice!
How indecent!!

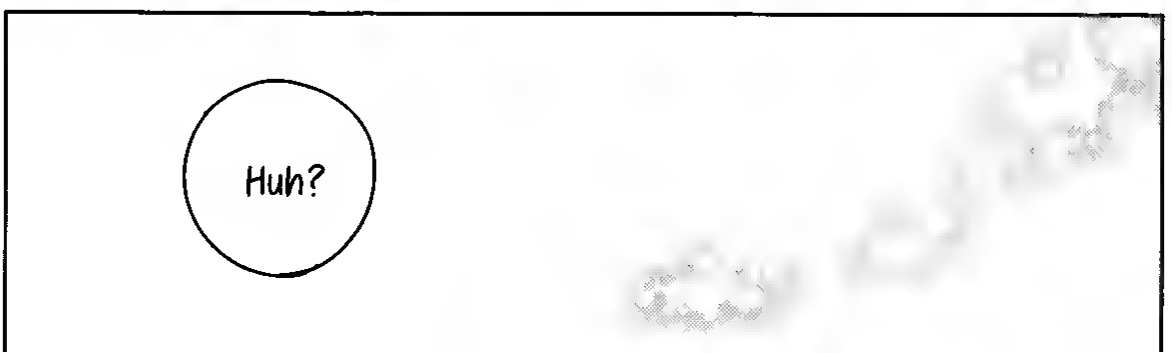
Huh?
Isn't that normal?
What !?
It's getting off to your lover after all.
Right?
Yeah, that's fine, as long as you're lovers.
Cut that out, moron!
Hmm?

What!?
Ah, you saw?
Actually...
But I thought you confessed to her...
What?
The two of us aren't like that...
NO WAY...!
What else can I say...
I still can't believe you, though.
How... can that be!?
And I thought there was going to be another yuri couple in our club!
EH!?
Okay, I'll call Aki.

Please don't! Give me a break!
I only just cleared things up with her before I came here.
W-Well, okay, but...

It feels to me
like Aki's hiding something from you.



Huh?

So...
Mika...
Are we seriously going to spy on them?
I want to be sure.
Aren't you interested?
I want to see what happens.
But...
Aki had asked me a question recently.
"How can you tell if the love you have for a friend is romantic or not?"
And she made this face...
that it hit her that she really was in love.

Not after I saw that love-struck look of hers.
I just don't want her to run away.
Sure, but still...
Yeah, I'm aware I'm meddling.
...
Okay, let's get a bit closer.
There she is.
Ah!
B-But ...!

HOLD IT, MIKA!
Where are your panties!?
Hmm?
!?
Do you really not want me to go watch them?
Huh?
Ahaha...
Hon-estly, this girl
Ah, I remember! I was frantic to keep Saki from running away and totally forgot about them.
WHAT !?

Would you like to stop me?
Here...
How about it?
What!?
"How about it?"
Don't give me that!!
Hmph... Then you'd rather go watch them?
No, that's not what I meant.
What's the problem, then?

Let's do this together.
